

# EXPANSION MIC

for Meeting Owl®

## Clear audio from every corner

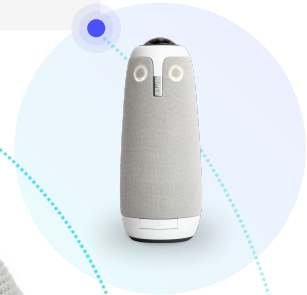

The Expansion Mic extends the audio range of the Meeting Owl by 2.5 metres in the direction of the mic, so all voices can be heard.

## How it works

Extends audio range by 2.5 m for total of 8 m

Connects to Meeting Owl 3 via Expansion Mic Cable

Mute button for greater in-room flexibility

Outfit any workspace with our endlessly flexible ecosystem

Includes mounting bracket for secure installation

Experience Immersive Audio
