Owl Tablet

Effortless control meets smart design

The Owl Tablet powers the Meeting Owl 5 Pro as a native Microsoft Teams Room console or functions independently as an intuitive touch controller for effortless BYOD meeting spaces.

- The first-and-only 360° standalone Microsoft Teams Room device when paired with the Meeting Owl 5 Pro
- Start your Teams Rooms meeting in seconds with a single tap on the touch console
- Easily manage meeting modes, volume, and mute controls right from the table
